# LARENCE MCDALE S. PINTO

Quezon City, Metro Manila, Philippines | +63 997 880 9937
pinto.larencemcdale.salas@gmail.com | GitHub: https://github.com/Yenceee

## PROFESSIONAL SUMMARY

Versatile and user-focused UI/UX Designer, Graphic Artist, and Virtual Assistant with hands-on expertise in mobile and desktop interface design, digital marketing, client management, and visual strategy. Experienced in designing web and mobile applications, creating interactive Figma prototypes, maintaining design consistency, and supporting administrative workflows, social media management, and client communication. Background in frontend development supports collaboration with development teams to create intuitive, technically feasible digital experiences.

## CORE COMPETENCIES & TECHNICAL SKILLS

UI/UX & Graphic Design: User Interface and User Experience Design, User Research, Design Thinking, Wireframing, Prototyping, Usability Testing, User Journey Mapping, Information Architecture, User Flows, Design Systems, UI Design Principles, Typography, Color Theory, Brand Identity, Social Media Graphics, Figma, Adobe Creative Suite.

Frontend Development: HTML5, CSS3, JavaScript (ES6+), TypeScript, React, React.js, Tailwind CSS, Responsive Web Design, Component Architecture, REST APIs, RESTful API Integration, Web Accessibility, Git, GitHub, Linux CLI (Basic), Database Fundamentals, Algorithms and Data Structures, Code Quality, SOLID Principles, Unit Testing, Integration Testing.

Virtual Assistance & Business Operations: Administrative Support, Calendar and Schedule Management, Email Management, Document Preparation, Data Entry, Research and Reporting, Google Workspace, Asana, Trello, Notion, Client Communication, Client Relationship Management, Customer Support, Social Media Management, E-commerce Operations, Inventory and Resource Management, Project Coordination, Task Prioritization, Time Management, Process Optimization.

Additional Professional Skills: System Documentation, UML Diagrams, Workflow Flowcharts, Portfolio Development, Freelance Profile Optimization, Client Acquisition, Proposal Writing, Service Offering Development, Client Onboarding, Project Planning, Professional Communication, Interview Preparation.

## CERTIFICATIONS & TRAINING

BreakpointLabs — Frontend Developer Program | October 2026 | 69/69 Activities Completed

BreakpointLabs — UI/UX Designer Program | October 2026 | 44/44 Activities Completed

BreakpointLabs — Virtual Assistant Program | October 2026 | 44/44 Activities Completed

## COMPLETED TRAINING MODULES

Frontend Development: HTML Fundamentals, CSS Fundamentals, JavaScript Fundamentals, React Basics, Git and GitHub, Code Quality, Software Testing, Algorithms and Data Structures, Database Fundamentals, Frontend Project Development, Portfolio Development, Career Preparation.

UI/UX Design: UX Foundations, Design Thinking, UI Design Principles, Figma Essentials, Wireframing and Prototyping, Usability Testing, UX Case Study Development.

Virtual Assistance: VA Fundamentals, Productivity Tools, Email and Calendar Management, Data Entry and Research, Client Communication, Portfolio Development, Freelance Profile Setup, Client Acquisition, Proposal Writing, Client Onboarding and Relationship Management.

## WORK & ENTREPRENEURIAL EXPERIENCE

UI/UX Designer Intern | Enov8tive Technology Solutions Inc. | Completed

• Supported product teams in wireframing, high-fidelity UI design, and interactive prototyping for mobile and desktop enterprise applications.

• Adapted mobile interfaces into responsive desktop layouts for Enov8tive CI V2 while maintaining design-system consistency.

• Evaluated usability and refined interface flows to improve navigation, accessibility, and user experience.

• Collaborated with development teams to support design-to-code translation and responsive design standards.

Co-Owner & Lead Creative Strategist | DNMS (DUNAMIS) Clothing Line

• Directed brand identity and visual strategy, including apparel graphics, social media content, and promotional materials.

• Managed social media channels, digital marketing campaigns, and direct client and customer communication.

• Oversaw daily operations, product inventory, vendor coordination, and order fulfillment.

Working Student Cafe Barista / Cafe Manager | Cafe De Franz | January 2025 – July 2025

• Managed daily operations, inventory tracking, staff coordination, and customer service.

• Resolved customer inquiries and coordinated shift tasks in a fast-paced environment while balancing academic commitments.

## FEATURED DESIGN & DEVELOPMENT PROJECTS

Enov8tive CI V2 | Enterprise App — Mobile-to-Desktop UI Translation | Supporting UI/UX Designer

• Adapted existing mobile interfaces into high-fidelity, responsive desktop layouts to support web-user workflows.

• Maintained Figma design-system components, typography scales, and component consistency across screen sizes.

Space Codessey | Gamified Programming Training Platform — Desktop & Mobile | Lead UI/UX Designer & Project Developer

• Designed and prototyped a dual-platform learning application where users pilot a spaceship by solving and executing programming code.

• Created interactive mechanics, level progression screens, and UI elements tailored to gamified learning.

Evergreen Banking Super System | Financial Management Platform | Lead UI/UX Designer

• Led UI/UX design for an enterprise banking platform, including layouts, dashboards, and transaction workflows.

• Simplified banking processes into clear, modern, and navigable user interfaces.

A.R.M.O.R. System | Security & Access Control Management Platform | Lead UI/UX Designer & Full-Stack Developer

• Designed administrative dashboards and responsive interfaces.

• Developed backend integrations, user access-control modules, and dynamic network tools.

• Created system architecture documentation, including UML use-case diagrams and workflow flowcharts.

## EDUCATION

Bachelor of Science in Information Technology | Quezon City University (QCU) | August 2023 – Expected June 2027

Senior High School Diploma | Saint John of Beverly | 2021 – 2023
